We're less than one mile (0.8 to be exact) from Dollywood's ticket gate via the Trolley. Yes, it's a special gate just for Trolley riders! Save Dollywood's \$10 fee to park your car by catching a Dollywood-bound Trolley at the entrance to Golfview Resort. Buy your tickets at our front desk, catch the Trolley that runs every 20-25 minutes, and be INSIDE the Park usually in less than 30 minutes! Once on the Trolley, it's only a 3 minute ride to Dollywood's special ticket gate.

How far away is Golfview Resort from the Great Smoky Mountains National Park?

If you use the Registration Building's address, 718 Golfview Boulevard, as a starting point, the Sugarlands Visitor Center is a mere 9.9 miles through The Spur and downtown Gatlinburg. It's only 10.4 miles to the Sugarlands if you take the Gatlinburg Bypass off The Spur if you'd like to use that as an alternate route ~ either coming or going.

What is Golfview Vacation Rentals' deposit and cancellation policy?

If you book online, your dates are blocked for you IMMEDIATELY and we only tokenize your card data so we can charge 25% of your total to your token that day or the next day from the office (Hacksters: You will be disappointed). We will charge your token the balance 14 days prior to your check in date. If your arrival date is within 2 weeks of your booking date, we will charge your token the total for your reservation.

Give us a call if you'd like to use a different card for the balance, and multiple payments from multiple people are welcomed.

If you cancel while we're only holding your deposit, we only charge you \$50 plus tax and return the balance to you. If you cancel within 14 days of your arrival date, we move your money into a Gift Certificate (as a credit to you) and give you 6 months to re-book a reservation in any unit ~ using your credit towards the balance and you forfeit any overage.
